Date: April 2, 2018

Time: 7:00 P.M.

Location: Town Hall/First Floor

Members Present: Chair/James Gmeiner
Vice Chair/Thomas Orcutt

Chairman Jim Gmeiner called the meeting to order at 7:00 PM in the main lobby of the Town Hall. Present were Commissioner Orcutt and numerous other people all of whom were waiting for the Selectmen to conclude their executive session. Chairman Gmeiner suggested the commission reconsider its vote of the last meeting regarding mandatory hookup by-law for the Four Corner Sewer District. Mr. Gmeiner felt it was better to have consistency between the two districts' by-law. Also since the last meeting the probable hookup charges were determined and might present a burden on the smaller property owners. **Mr. Orcutt concurred and moved the prior vote be rescinded and the commission supports its originally submitted draft by-law. Mr. Gmeiner seconded and the motion was approved unanimously.** There after the Commission supported at the selectmen's continued hearing the original draft.

The Sewer commission meeting was adjourned at about 9:20 PM.
